4 x 2 Lap Relay		AVEAC	49.3	25.7.15

Sportshall league records began in 2001. Track event records from 2001–2015 cover performances at Queens Park Sports Centre; new records started in 2016 at the rebuilt and modernised larger venue with revised running distances. Field event records span 2001–2026. Starting October 2026, a new set of league records will begin due to national age group changes.
